Cookie Policy

Information on cookies

A cookie is a small text file that is stored on your computer when you visit our website. The text file contains information that is sent between your browser and a web server and includes information such as how the website is used. It processes your IP address, which is personal data. Some cookies are necessary to provide a certain service on the website.

Svalner Atlas Group AB ("**Svalner Atlas**") is the data controller for the processing of personal data. You can read more about how Svalner Atlas processes personal data in our privacy policies.

You can always change your cookie preferences on svalneratlas.com by clicking the cookie icon in the bottom left corner on our website. You can also use your browser settings to choose whether and how cookies are stored on your computer. More information about cookies can be found at The Swedish Post and Telecom Authority's website.

Cookies on our website

Below is a list of the cookies we use on svalneratlas.com, what function the cookie has, how long it is stored, and whether the information stored by the cookie can be disclosed to third parties.
